LIGHT REGIONAL COUNCIL Authorised Officers Training

Norman Waterhouse's Light Regional Authorised Officers Training will cover a range of topics relevant to Council Officers, General Inspectors, Authorised Officers, Environmental Health Officers and Managers.

About this event

The Norman Waterhouse Local Government team is the largest of its kind in the State and is widely recognised as the leader in the provision of advice and representation to the local government sector in South Australia. Our expert practitioners will provide you with up to date information on the shifting regulatory landscape together with contemporary best-practice sector guidance on regulatory matters, civil enforcement and prosecution proceedings in local government.

What you'll learn

- Council obligations and powers
- Summary of the LNL Act
- Investigative processes and powers of authorised officers
- Notice issuing process
- Appeals process
- Interaction with other legislation
- Public Health Officer Obligations
- Case Law Update
